BLUEPRINT SURVEYS LTD

LAND AND MEASURED BUILDING SURVEYS

To provide a comprehensive measured survey throughout the UK, for Architects, Developers, Commercial and Residential Estate Agents and Garden Designers.

No survey is too small, no project is large.

LAND AND MEASURED BUILDING SURVEYS

Using GPS and a Robotic Total Station, Blueprint Surveys Ltd can carry out measured surveys throughout the UK.

Levels and co-ordinates are obtained from Ordnance Survey's GPS correction network OS Net ® and TRIMBLE® VRS NOW

Measured Building Surveys are carried out using Laser Disto Meters and when the project dictates, fully or semi controlled, with the Total Station.

Lease Plans follow the guidelines set out by the Land Registry

Existing clients include:

Architects

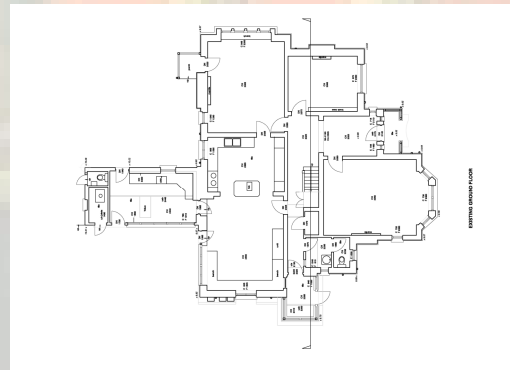

Building Consultants

Garden Designers

Flood Risk Assessor

Commercial and Residential Estate Agents

FEES YOU CAN BUDGET FOR

We always price our Survey fees competitively.

Day rates for a Surveyor or a team of two, or if the project requires, an hourly rate. Each project is costed on its own criteria.

If your Budget is restrictive, please call Simon Brett, to discuss.
